

LED Lighting Product Range

RGBWA-UV

Multipar Hex 18 x 15W LED Wash Fixture (Silent Operation)

Model: Hex-Multipar-18x15-Silent

As above, but featuring a fan-less design to ensure a totally silent fixture. Ideal for small spaces, low ceilings and areas where fan noise might be intrusive.

RGBWA-UV

Zoom: 10-60°

Multipar Hex 18 x 15W LED Zoom Wash Fixture (Fan Cooled)

Model: Hex-Multipar-Z-18x15

As above, but with the added benefit of a 10° to 60° zoom function, remotely operated from the control desk. This allows the fixture to function as both a wash light and a spotlight.

WHITE

RGBW

Lens Options: 10/19/26/36/50°

Professional High Output Profile Spot 200W/300W LED Fixture

Model: W-Profile-200 (Warm/Cool White)

Model: W-Profile-300 (Warm/Cool White)

Model: RGBW-Profile-180 (RGBW)

Ideal replacement for a 1000W lantern

A professional LED profile fixture, designed to replace conventional tungsten/halogen fixtures. Pure white or multi-colour with a wide range of optional lenses, these professional profile fixtures are ideal for use in theatrical applications where a clearly defined pool of light is required.

WHITE

RGBW

Zoom: 17-50°

Professional High Output Profile Zoom 200W/300W LED Fixture

Model: W-Z-Profile-200 (Warm/Cool White)

Model: W-Z-Profile-300 (Warm/Cool White)

Model: RGBW-Z-Profile-180 (RGBW)

Model: RGBW-Z-Profile-200 (RGBW)

Ideal replacement for a 1000W lantern

As above, but with the added benefit of a manual 17° to 50° zoom function. Change the size and the hard/soft edge definition of the beam.

Ideal for multi-purpose spaces where the performance area or projection distance changes on a regular basis.

RGBW

High Power RGBW Moving Head Fixture

Model: RGBW-MH-12x10

A high power LED moving head fixture, ideal for long-throw applications. Moving head fixtures are ideal for use in multi-purpose spaces since the beam can be moved remotely via the control desk.

RGBW

High Power RGBW Moving Head Zoom Fixture

Model: RGBW-Z-MH-19x15

As above, but with a very high power output and a zoom function, allowing the fixture to function as both a wash light and a spotlight.

High Power Moving Head Gobo Pattern Effect LED Fixture

Model: GOBO-MH-150

A high power LED GOBO moving head fixture with 16 pre-defined patterns in a full range of colours. Ideal for creating stage effects, but equally suitable for dances, discos & events.

High Power Follow-Spot with Optional Tripod

Model: Follow-Spot-450

A very high power 450W LED follow-spot. Ultra-narrow beam angle 1-9° ideal for long range use. Full manual & DMX control. Optional heavy duty stand and fitted flight case
